Membership Application Form

The NEPAD Business Foundation(NBF) is a non-profit company promoting sustainable economic development in Africa through the private sector. The NBF is a “Chamber of Business for Development”, connecting the public and private sectors and development agencies, and implementing innovative and sustainable projects in partnership with each other. In supporting African economic development and growth, NBF’s key focus areas mirror the NEPAD Planning and Coordination Agency’s (NEPAD Agency) development themes of agriculture and food security; climate change and natural resources management; economic and corporate governance; human development and capacity building; and regional integration and infrastructure.
